THE CLASS OF 1957

When you entered Elon College four years ago, doubtless graduation seemed a long, long way off, but as you look back across the years and relive some of your experiences, time has a way of shortening itself. Today with diploma in hand, you cast a wishful eye into the future. It may be additional schooling for advanced training, it may be business or professional services or it may be the building of a home and planning definitely for the future. Whatever your plans and hopes may be, Elon College is proud to have had you as students for your undergraduate work and to have had the privilege of making contributions to your lives which we trust may bear abundant fruitage for the good of society as the years come and go.

It has been a pleasure to work with you. You have been good students, cooperative and helpful in all campus affairs. You have helped to raise the standards of Elon College. Elon College is a better college because you have been its campus and its classrooms.

May knowledge, wisdom and truth be your possessions in hand and may the unfailing light of God guide you all the way through life.

L. E. Smith
President

Dr. Leon Edgar Smith

Mrs. Leon Edgar Smith

DEDICATION

When loving service extends beyond all duty, when love of labor teams with Christian purpose, when lives become dedicated to the improvement and growth of a noble ideal—then original words become inadequate for praise. To justly describe the place our dedicatees have made for themselves in the life and progress of our college, we must grope for quotations from the pens of the great.

Labor: "Two are better than one, because they have good reward for their labor."

"The labor of the righteous tendeth to

life."

Service: "Make them to be numbered with the saints in glory everlasting . . . whose service is perfect freedom."

"How well in thee appears the constant service of the antique world, when service sweat for duty, not for meed!"

With love, respect and astonishment that we shall soon lose them, we, the class of 1957, dedicate this annual to Dr. Leon Edgar Smith, Sr., our president, and Mrs. Smith, our assistant president, for twenty-six years of service lovingly rendered beyond all duty.

DEANS

To Each Student:

You are embarking on a life full of adventure. You are facing a world which overflows with opportunities for advancement.

You as college graduates may be prepared to meet the challenge of the future. You will be outstanding citizens of your nation, you will excel in your communities, and you will live a life of satisfaction to yourself and to your fellowman.

May your aspirations and accomplishments transcend the pinnacle of your dreams.

"If we work upon marble, it will perish; if we work upon brass, time will efface it; if we rear temples, they will crumble into dust; but if we work upon immortal minds, if we imbue them with principles, with the just fear of God and love of our fellowmen, we engrave on those tablets something which will brighten to all eternity."—Daniel Webster

SYLVIA DEAN HARBERT

Dean of Women

Sylvia Dean Harbert

To the Graduating Class:

It has been nice knowing you and working with you. We shall miss you. We shall hope for your individual successes as you tackle your adult problems out yonder in LIFE. Let me offer a friendly challenge—a dare: I dare you to come back to see us often; to let us hear from you; to back up YOUR COLLEGE at all times; to be the most loyal group of alumni and alumnae ever to go out from DEAR OLD ELON.

J. C. COLLEY

Dean of Men

J. C. Colley

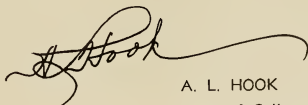

To the members of the class of 1957

The second stage of your foundation on which to build a life of useful service has been completed. The third stage is beginning; it will be completed in due time in either formal university classrooms or the university of experience.

Your selection of the content for the next stage will have the potentialities of a long, useful, and contented life. It is all important that you constantly make deliberate and wise choices.

Isolate your problem; make accurate observations; correlate your data; and then render a conclusion.

FOUNDERS' DAY

North Carolina's Governor Hodges addressed alumni and friends of Elon College at the annual "Founders' Day," Monday, October 15, 1956, as Elon College launched a million-dollar fund-raising campaign. Along with his tribute to the founding fathers, the speaker also paid special and personal tribute to Dr. Leon E. Smith, Elon's president, who is winding up a full quarter century of successful service to the school. There was a special tribute to the Christian church, the college trustees and alumni and friends for the support that has made possible the expansion in recent years.

Following the announcement of the new Elon fund drive, there were brief talks by a number of alumni and friends of the college, each of whom brought greetings and well wishes for the new campaign from special groups.

Student Body

Flocks of students . . . the breakfast line
wound round and round . . . ten minutes to get
from Virginia Hall to Alamance . . . lectures
hanging on over the usual fifty minutes . . . tak-
ing a break for some much-needed sleep . . .
loafing around the Student Union . . . West par-
lor and the after-dinner dates . . . residence halls
filled with harmony at Christmas . . . countless
walks through the colonnades.

First row, left to right: Rebecca Hotch, Jean Loy, Dot Keck, Janet Crabtree, Carl Whitsell, Charles Franklin, Ronald Bergmon. **Second row:** Martha Langley, Linda Simpson, James Biggerstaff, John McLaughlin, Carl Burke, James Compton, Margaret Honeycutt, Bill Watson. **Third row:** Bob Blanchard, John Biggerstaff, Louan Lambeth, Secretary; Jerry Moize, Parliamentarian; Bob Rickover, Doc Alston, Speaker.

LEGISLATURE

The Legislature, functioning as the legislative branch of student government, passes nearly all rules and regulations governing students at Elon College. Each legislator is elected by the students of his particular campus district. Officers are Vice-President of the Student Body, Speaker Pro-tem, Parliamentarian, Secretary, and Engrossing Clerk.

HONOR COUNCIL. Left to right: Benny Eanes, Douglas Albert, Johnnie Apossos, Johnny Oakes, Margaret Patillo, Chairman.

STUDENT COUNCIL. Left to right: Bobby Orr, Chairman; Evelyn Fritts, Ronald Bergman, Bobby Johnson, Jo Ann Atkins.

WOMEN'S INTERDORMITORY COUNCIL. First row, left to right: Faye Weaver, Joyce Perry, Jackie Williamson. Second row: Shirley Womack, Marie Stone, Goye Branton, Lois Jean Grizzard, Ruth Douglas, Nancy Perry.

MEN'S INTERDORMITORY COUNCIL. First row, left to right: William Hurdle, Earl Bradley. Second row: Guy Lambert, Johnnie Meadows, Chuck Oakley, Robert Bergman.

HONOR COUNCIL

The Honor Council, acting under the Student Council, tries cases involving Campus Code and Honor Code violations. This year the Council has strived toward making students properly conscious of their privileges and responsibilities as citizens of Elon College. Two seniors, two juniors, one sophomore, and one freshman are elected by the students to serve on this council.

STUDENT COUNCIL

The official voice of the student body of Elon College is the Student Council, which is composed of representatives of both men and women students with one member elected at large. This branch of the student government has final jurisdiction in all cases involving offenses against the student body and serves as a court of appeals.

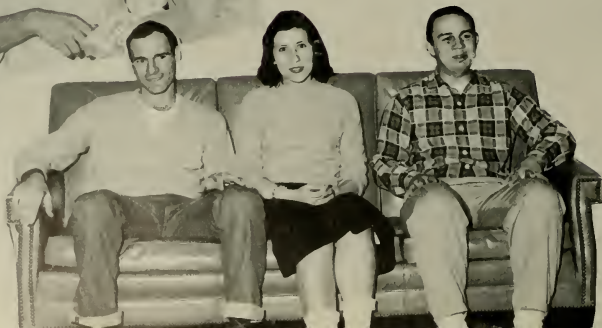

INTERDORMITORY COUNCILS

The Women's and Men's Interdormitory Councils are composed of members who represent the resident men and women students. The councils' main functions are to improve living conditions in the dormitories, to enforce rules affecting the conduct of dormitory students, and to speak for dormitory men and women in matters concerning the college.

In the 1957 Phi Psi Cli, the staff has tried to portray the daily life of Elon College students. If you follow us through the colonnades, you will see the gay-campus scenes and take part in our college activities. We hope that this record will preserve some of our priceless memories and that when we reread our annual the best years of our lives will be brought back to us — OUR ELON COLLEGE DAYS.

COLONNADES

Writers, in their methods of presentation, may be broadly divided into several classes. Such was the case of Professor West's creative writing class of 1956-57 — a class composed of students interested in the active participation in writing short stories. A wide variety of such talent was displayed in what proved to be one of the finest editions of Elon's annual college magazine — THE COLONNADES.

On a jaunt around the campus of Elon, we can't miss dropping by the MAROON & GOLD confines now occupying part of the old dining hall. Here we find the bi-weekly hustle and clamor accompanying the latest publication of the MAROON & GOLD. Amidst the roar of the rolling presses and the clinkety clack of the linotype machine, we probably would spot Professor Byrd devoting his invaluable time and assistance setting the type; Larry Barnes proofreading "Sounding Off," "Under the Oaks" or an editorial; or Bill Walker making apologies on bended knee for the tardiness of his "Walking the Chalklines." Possibly Chuck Oakley would scurry through like a scared rabbit escaping some person whom he'd offended in the issue before — not to mention the many other behind-the-scene toilers (Walt "Square" Edmonds, Bob Somers, J. Biggerstaff, etc.) who lend their efficient talents to the common task.

We shall always appreciate and remember those fortnightly publications of the college paper since they inform us on the recent happenings at Elon, not to mention what we find in the minds of those who compose the scribblings.

In Mid-Year Meeting Here

Five hundred laymen from more than 100 churches in the North Carolina and Virginia were on the agenda for the annual meeting of the Southern Baptist Convention, which opened here today.

Dr. E. Smith, who will retire from the presidency of the college this year after the longest and one of the most successful reigns in the history of the trustees, received high praise from the delegates. He was elected to succeed by J. K. Dancy, who will be in the position this summer.

THE ELON COLLEGE CHOIR is an organization of students from both the Department of Music and the College at large who enjoy choral singing.

Its first purpose was to furnish music for the regular Sunday services of the college church and for week-day chapel services. This remains the primary purpose of the organization; however, its fame has spread and each year members of the Elon College Choir travel over 3,000 miles presenting programs of sacred music in many of the leading cities of the Atlantic states.

At the present time, the choir, in addition to its Sunday duties at the College, present three major oratorios each year, including "The Messiah," which, in the twenty-third consecutive annual performance during the Christmas season, has become one of the outstanding musical events of the state.

In addition to numbers by the entire group, the choir programs include solos and work by various small ensembles, resulting in performances which are varied and interesting without sacrificing musical excellence.

FLETCHER MOORE, Chairman of the Department of Fine Arts, is a graduate of Elon College. While a student at Elon, he won first place in both piano and organ in the South Atlantic District, comprising the Carolines, Georgia, and Florida, in the Student Musicians Contest, sponsored by the National Federation of Music Clubs. Mr. Moore continued his study at the Juilliard School with Sascho Gorodnitzki. After completing work for a Master of Arts degree from Teachers College, Columbia University, he did work in piano with Dr. Guy Maier in California and Robert Pace in New York.

Mr. Moore has completed requirements for an Ed. D. from Teachers College, Columbia University, where he is now a member of the Summer-school piano faculty. He is also North Carolina Chairman of Junior Federation Festivals, participated in by approximately sixteen hundred young musicians each spring from every section of the state.

JOHN WESTMORELAND received his under-graduate study under the direction of Fletcher Moore at Elon College. After completing work for a Master of Arts from Teachers College, Columbia University, he returned to Elon College as a member of the music faculty.

Mr. Westmoreland continued his studies at the Juilliard School of Music; University of Southern California; and New York University.

During the summer of 1951 he received a Diploma in Conducting from the School of Music and Fine Arts, Fontainebleau (France), where he was a student of Nadia Boulanger. During his study there, Mr. Westmoreland won the Lili Boulanger Prize and a First Prize in Conducting.

Mr. Westmoreland returned to the Elon campus in the fall of 1955 after a year's leave of absence, during which time he was a Fulbright Scholar at the Academy of Music in Vienna, Austria and a private student with Dr. Hugo Zelzer of the University of Vienna. During the Spring of 1955, he made an appearance as Conductor in a Concert of Choral and Orchestra Music at the Concert House in Vienna.

This is a newly formed club on campus composed entirely of veterans. Its primary function is to support social functions, participate in the college activities, to stimulate an interest in promoting and maintaining the highest standards of college life,

and to benefit the veterans in any way possible. The Veterans' Club got off to a good start this year under the able leadership of Joseph Steelman as president, Ralph Badgett as vice-president, Chuck Oakley as secretary, and Sal Scordo as treasurer.

The Chemistry Club of Elon College is a collegiate professional society designed to bring those students majoring in Chemistry into closer contact with each other and with the various branches of Chemistry through meetings at which guest speakers familiarize the club members with their particular field. The members themselves periodically prepare and deliver papers upon various research projects of their own. Speakers are also brought in from other natural sciences to acquaint the club with other disciplines of science.

All members of the Chemistry Club are student affiliate members of the American Chemical Society.

The French Club is a voluntary organization made up of students who are interested in the traditions, customs, and cultures of our far away neighbors across the Atlantic.

The group meets twice a month with the program including educational movies in French, music, games, and discussions. During the discussions, several members usually volunteer in preparing and serving refreshments to the group. In the past this group has always been very active, and new members are always welcome.

STUDENT CHRISTIAN ASSOCIATION

MINISTERIAL ASSOCIATION

The Ministerial Association of Elon College is composed of Ministerial Students, Religious Education Majors, and other students interested in Christian vocations.

The purposes of this organization are to provide instruction, practical training, and Christian fellowship for the members of our group. We also endeavor to foster spiritual growth on the campus and to aid in the local churches whenever possible.

DAY STUDENTS ORGANIZATION

Though there are some footsteps not heard as often on the campus as those of the resident students, they nevertheless belong to a large and important group of Elon. These students participate in all campus activities. The sole purpose of the organization is to promote more activity between the commuters and residential students.

ELON PLAYERS

Great moments and small moments . . . happy moments and sad moments . . . moments of victory and moments of defeat . . . all these fit neatly together to provide the magic net which holds those together who share a great interest in the stage. The Elon Players have matured during their college days to the smell of grease paint and the busy noise of the backstage hammers. Through hard work and concentrated effort, they have become attached to a world of dreams that they can make come true. They relish in the fact that they are the world's only honest hypocrits.

The Players offered audiences a happy dish of hilarious comedy early in the year with the presentation of "Harvey." The play met with great success and ran for three big nights. With Shakespeare's "The Tempest" successfully behind them, the players turned once again to the Bard and presented the famous tragedy, "Julius Caesar." Mr. M. E. Waaten, Jr., profiting by experience gained last year on this campus, led the Players through an even more successful year.

The advent of the dramatics major on Elon campus brought forth the first student directed production, "The Rainmaker," a recent Broadway hit.

All in all, it has been a great year for the Players, but no member will be satisfied to rest on his laurels. Each Player will agree, "The things we've done will seem so small in face of the things we will do. We are climbing a golden ladder that has no top."

"It was absolutely disgraceful, sir!"

PAN HELLENIC COUNCIL

The Pan-Hellenic Council is the organization which seeks to create an understanding among the sororities and fraternities on campus. Its members are representatives from each of the four sororities and four fraternities.

Each Christmas the council co-operates with the Alpha Pi Delta fraternity in giving the annual Elon

Orphanage party. At this time each of the sororities and fraternities gives money to buy two bicycles for the children at the orphanage.

Prior to rushing each spring and fall, the Pan-Hellenic Council meets and makes rules concerning the rushing period. The work of the council has made rushing much fairer and more enjoyable.

BETA CHI EPSILON

For students taking a secretarial course, Beta Chi Epsilon serves to mix business with pleasure. Members of this sorority are those who aspire to make a career through the nimbleness of their fingers on a typewriter.

The group's main objective is helping to stimu-

late the atmosphere of a business office in the classroom. This is done by inspection tours through various business organizations and by the sponsorship of modern office equipment. The club meets semi-monthly, with guest speakers and entertainers who provide enlightenment for the group.

ALPHA PSI OMEGA

Alpha Psi Omega is a National honorary dramatic fraternity which accepts those people whose interest, work and talents make them eligible.

It provides wider interest in the college theater, a chance for personal and group improvement, as well as an acknowledgment of interest in the world of the theater. It is considered a good recommendation in obtaining positions after graduation.

COACHES

JACK SANFORD

HEAD OF DEPARTMENT OF PHYSICAL EDUCATION

Coach John D. "Jack" Sanford, who joined the coaching staff this year, has proved himself quite capable as director of the Physical Education Department. In addition to directing an improved program of intramural activities, Coach Sanford is also head coach of baseball.

JOE BRYSON

ASSISTANT FOOTBALL AND BASEBALL COACH

Another addition to the sports staff this year is Joseph E. "Joe" Bryson. A graduate of Elon, Coach Bryson assists as backfield coach for the football squad and serves as assistant coach for baseball. An active figure in the Intramural program of the college, Coach Bryson has shown a genuine interest in his work.

SID VARNEY

HEAD FOOTBALL COACH

Needing no introduction to the students of Elon, "Sid" Varney is head coach of the Elon Christians' football squad. By working with each individual player, he tries to mold a rugged and winning team. His untiring efforts do not always end in victory, but his eagerness to win does not falter with defeat. Coach Varney is never too busy to give advice to a student. He is respected and admired all over the campus.

"DOC" MATHIS

HEAD BASKETBALL COACH

One of the best known and respected figures on the campus is Graham L. "Doc" Mathis. His love for sports and sportsmanship seems to be projected into the players as they progress under his painstaking guidance. His domineering manner demands respect. With his patience, understanding, and knowledge of sports, he is considered a great asset by the student body and faculty alike.

Elon 12 Alabama 13

The high-spirited Christians suffered a defeat at the very beginning of the season. After traveling to Jacksonville, Ala., they dropped a heartbreaker to the Jacksonville State teachers, who were supposed to be much the superior.

Dick Smith, Bob Stauffenberg, and Whit Bradham put the Christians ahead twice during the game, but when the final gun sounded it was 13 to 12, Elon on the short end. Jacksonville's break came late in the fourth quarter when they recovered an Elon fumble on Elon's 3-yard line. Three plays later they scored for the final 13-12 count.

Elon 53 Apprentice School 7

The second game of the 1956-57 season saw the Maroon and Gold fieldman back on the winning leg as they smashed and shipwrecked the shipbuilders from Newport News Apprentice School. The Christians fattened up their scoring column, with Stauffenberg, Smith, Kinsley, Humphries, Griggs, Richards, and Bradham all scoring touchdowns. It was not until the second half that the shipbuilders chalked up their lone tally. Jerry Prescott grabbed a Kerry Richard's pass and hot-footed it 55 yards for 6. The extra point made it 7. Other than this Elon's end zone was untouched and the final score was 53-7.

Elon 19 Appalachian 7

Almost opposite of last year's score, the Elon Christians opened their North State Conference tilt by making the Appalachian Mountaineers wish they were billy goats.

One of the most prominent factors was the Christian's forward wall; this along with a beautiful Whit Bradham run and a Smith to Carcatera pass play, told the story of the first half. The third period was hard played but uneventful as far as scoring goes.

In the final period Appalachian posted their lone tally, and Elon topped it with 6 more points, to bring the final totals to 19-7 Christians.

Elon 7 East Carolina 19

The fighting Christians hope for a North State Conference title was slightly dampened as the East Carolina Pirates knocked them into third place with a 19 to 7 clobbering.

Quarterback Dick Smith scared Elon's lone touchdown, after a long sustained drive in which a Faust to Carcatera pass combination really ate up the yardage.

The Easties scores came in the first, second, and fourth periods on runs of 6, 9, and 1 yards by Nash, Maynard, and Speight respectively.

The entire game was accompanied by a heavy fog which, along with the game, did not help in the least to bolster the Christians' spirits.

display their talents...

Elon 14 Catawba 13

The Homecoming game of 1956 was a thrilling, fingernail-biting contest in which the Christians "sweated-it-out" until the final minutes of play.

In the opening quarter the Indians jumped to a 6 to 0 lead, which prevailed throughout the remaining half. In the third period the men from Salisbury scored again, putting the count to 13 for Catawba and 0 for the Elonites. It seems the average 226 lb. forward wall of the Indians was a bit troublesome.

The final period proved a bit different, though. To start it off, we took a kickoff and marched 85 successive yards on 6 "firsts" to the score. Bob Stauffenberg carried the pigskin over from the yard line and Ron Kinsley boated for the extra point. Now with two seconds left to play, Kerry Richards pitched the leather one yard to Tony Carcatera for another score. Glen Varney clinched the thriller with the extra point.

Elon 13 Lenoir Rhyne 27

The Lenoir Rhyne Bears proved too powerful for the late season tussle with the Christians. The Bears opened up the first half with 21 points to Elon's 0. In the second half the Maroon and Gold Gridders were good for 13 points, but the Bears also added 6 more to their total. When the contest ended, it was a sad 27-13 count in the Bears' favor.

Elon's scoring came first in the third period on a pass play from Richards to Carcatera, good for 10 yards and 7 points. Our last 6 came in the fourth period on a one yard run by Maiden.

BASKETBALL

Elon's quintet did a remarkable job in the 1956-57 Campaign. Their team, somewhat remodeled from the previous year, went on to post a good record and show success throughout the entire season. Also, as the season went on their plan improved. Our Christians lost some tough ones though, especially that one to High Point, 83 to 82.

It must be recognized and appreciated that the achievements of the team took many hours of stiff practice under the capable and efficient eye of Coach Mathis. Our contingent of Dee Atkinson, Jim Crump, Ed Juratic, Paige Stout, Earl Stone, and Frank DeRita, was backed very closely by strong reserves, who certainly proved their worth many times.

First row, left to right: James Crump, Larry Bulla, Gilbert Watts, Paige Stout. **Second row:** Ed Juratic, Tony Carcaterra, Marian Hargrave, Joe Turner. **Third row:** Frank DeRita, Gilbert Gates, Earl Stone, Buddy Way, Dee Atkinson.

Each year seems to bring added success and growth to the Intramural Athletics Program at Elon. Under the direction of Coach Jack Sanford, who worked diligently with the Intramural Council and managers of the various teams participating, this year's program proved to be quite successful.

Planned for the benefit of students who do not

participate in intercollegiate sports, a wide enough variety of activities is offered to give every student an opportunity to compete in at least one sport. Students who take part in the Intramurals have the opportunity to learn more about the minor sports. These include tennis, badminton, and volleyball.

Men and women students alike have shown much interest in the activities throughout the year. Representative teams from the fraternities, sororities, dormitories, and various other campus organizations took part in the competition. To supervise these games, a carefully selected and well-trained

staff of officials were on hand.

To encourage participation in the Intramurals, trophies were awarded to the winning teams and the outstanding individuals in each sport. A permanent trophy was awarded to the individual with the most points.

The Maroon and Gold "Tracksters" of 1956 experienced a very successful season in which they were runner-up in the North State Championship contest.

After trailing early in the meet, East Carolina's Pirates came from behind to clinch the title, with the Christians showing a close second. The outstanding performance of the meet was accomplished by the Christians' Paul Watts. Watts, a senior from Taylorsville, North Carolina, bettered the old mile mark by 22 seconds and set up a new mile record of 4 minutes, 38.5 seconds.

Following East Carolina and Elon for the North State title were Catawba, Lenoir Rhyne, Atlantic Christian, and Guilford, in that order.

MEN'S INTRAMURAL COUNCIL

Composing the Men's Intramural Council are representatives from all the men's dormitories, fraternities, the men day students, and the Veterans' Club. This group serves as an advisory group for the Intramural director and works with him in planning Intramural activities for the year. Their hard work and careful planning helped to make the 1956-1957 year a success.

JEANNE GRIFFIN HEAD WOMEN'S ATHLETIC DIRECTOR

Mrs. Jeanne Griffin, a native of Virginia and an Elon graduate, has done a great deal to promote the interest of the women students in the physical education field. She planned and directed this year's Women's Athletic Association, which gave all women students an opportunity for participation in at least one sport. Because of her ability and willingness to work with students, she has become well known and liked by the entire student body.

W. A. A.

The Women's Athletic Association is composed of the women students interested in athletics and offers them the opportunity to participate in a variety of sports.

Under the guidance of Mrs. Jeanne Griffin, the following officers led the group for the year: Evelyn Fritts, president; Betty Franks Reynolds, vice-president; Norie Luce, secretary; Marian Glasgow, treasurer; and Jeanne Payne, reporter.

The Christian's baseball nine paved the way for an East Carolina conference crown. In the last game of the season, the Christians beat the Bears 13 to 1, thus allowing the Pirates record to be tops.

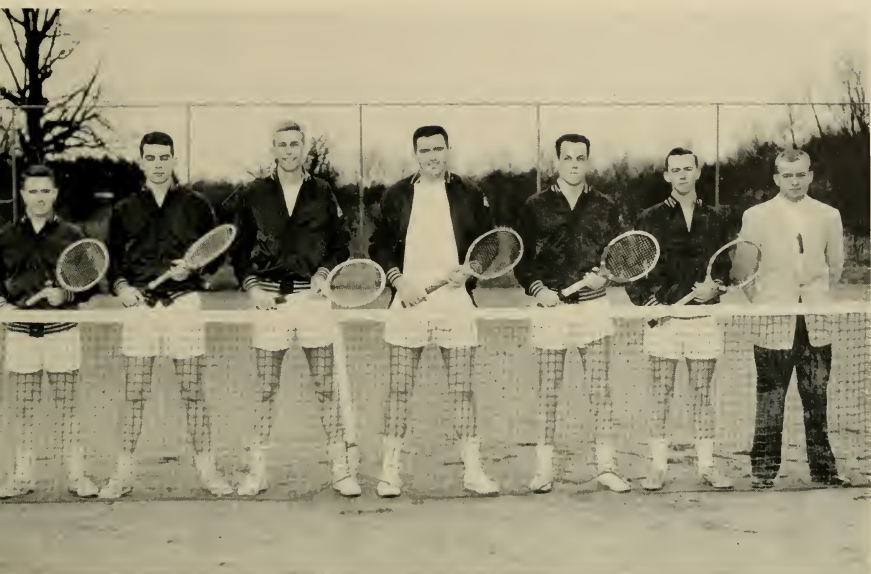

The Maroon and Gold "diamonders" came out with a 12 and 7 record of their own. Main stays of the team were Nick Thompson, Bob Greene, Alton Meyers, Homer Hobgood, and Bob Sharpe, along with Elon's usual strong pitching staff.

This year's team showed not only a good present record, but also some promising young players for the seasons in the future.

TENNIS

The tennis team of 1957 was a completely new outfit, and they did very well for themselves throughout the entire season. Their coach, Charles Johnson, did a remarkable job in getting his team in shape and guiding them through the campaign.

GOLF

The 1956 golf team—featuring the “four L’s,” Leighton, Landress, Loy, and Lloyd—took the team title for ’56 at Starmount Country Club in Greensboro. Previous to winning the title, they had an excellent season, going undefeated and untied. Good going, boys!!

Left to right: Don Holt, Roy McGriff, Bobby Loy, Jim Leighton.
